NWCS Homeschool Elementary Music Teacher

The Northwest Christian Homeschool Program is seeking an energetic, motivated professional with a love for children; joy in Christian service and passion for imparting the needed knowledge and ability for strong music appreciation experiences for our elementary students and their families.

Duties:

- The qualified candidate will teach a music appreciation class to each Elementary class utilizing instrumental, choral and/or movement strategies.
- The position requires innovation and creativity to design a quality experience for children K-6 each week in a 30-minute time slot.
- The qualified candidate will organize content and activities that build a love of music and performance in young students.
- Adaptation of curriculum and activities for children with minor disabilities or different physical abilities may be needed.
- Music teachers must have strong speaking and listening skills and must be able to observe students and maintain discipline within the class. In addition to students, our music teacher interacts with parents, other teachers, and school administrators.
- This position requires communication with parents and providing evidence of growth and progress to parents and to the children.
- The music program includes two performances per year.
- The music teacher participates in two parent teacher conferences annually.
- Occasional assistance with extracurricular activities to support the total program of the school is expected.
- Secondary classes may be an option this year.

Requirements:

- The ideal candidate will hold a current Elementary Teacher certification or be a Musician or Music Specialist with experience teaching children K-6.
- Homeschooling experience is a plus.

Schedule

Currently the teacher in this position teaches 6-8 classes from 9:00-3:05 each Thursday for 35 Thursdays in the school year for our K-6th grade students. Elementary classes are 30 minutes long. Currently employment includes paid preparatory time weekly.
