An Adventure in Art– Instructor: Mrs. Hagan

Performing Arts: Take the Stage! –Instructor: Mrs. Hildebrand

Have you ever wanted to learn to sing and act? Would you like to become more confident in front of an audience? We will explore singing, acting, and stage basics using fast-paced group activities and learn about theater behind the scenes. At the end of the week we will have an exciting performance!

Engineering and Building– Instructor: Mr. Turnquist (Grandpa Bill)

Engineering is not about driving trains, it is about using math and science skills to create, design and build things! Join us in building hands-on projects with various kinds of structural materials! This class is perfect for creative, curious kids who love to build!

An Adventure in Art– Instructor: Mrs. Hagan

Come on an amazing journey where we will work with different kinds of art mediums each day! Interested in painting, drawing, paper mache, oil and chalk pastels, and other artsy fun? This class is perfect for you! Improve your art skills and have a blast!

**** Classes may change due to enrollment numbers!**

Please register as early as possible to allow the instructors and administration to plan accordingly.
