

Ways YOU Can Afford a Christian Education at Northwest Christian Schools, Inc.

Financial Aid

NWC gives approximately \$500,000 in aid every year! Depending on your income and household size, you could receive a grant from \$50 to \$400 monthly toward your tuition balance.

Family Support

Do you have family members; aunts, uncles, grandparents that would consider investing with you and paying a portion of tuition? We can easily set up a portion of tuition to automatically be deducted from their accounts.

Pastor Discount

Northwest Christian Schools encourages local pastors to choose Christian education for their children. Northwest Christian schools offers a Pastor Discount of 35% off tuition. The church must financially support Northwest Christian schools in the amount of \$100 per month, year round. Please contact the Business Office for more information.

Missionary Discount

Northwest Christian has a long-standing tradition of supporting missionaries. Missionary families who are home on furlough qualify for a 60% discount if they raise 100% of their support.

Valentine & Winifred Kreidel Scholarship Fund

This fund was established by Winifred Kreidel to ensure a full scholarship for low income, academically gifted children (3.5 GPA) who desire an education at Northwest Christian Schools. Once accepted, the goal is to have qualifying children continue their academic career at NWCS through graduation. To encourage the highest level of excellence and effort, the scholarship award looks to the child's annual GPA from 4th grade on. Due to the ongoing nature of the scholarships, a limited number of awards are available. Students must qualify for financial aid via the current requirements established by Northwest Christian.

Host Family for an NWCS International Student

Northwest Christian Schools has a growing international student program. Students from Korea, China and Japan grace the halls of our middle school and high school. These students need host families for 10 months out of the year. Each host family receives \$800 per month stipend for their help. Tax deductions for your expenses are available; please consult your tax professional. For more information on becoming a host family, contact ISNW at isnorthwest@yahoo.com.

Win-Win Referral Program

The Northwest Christian Schools Win-Win program is designed to thank **NWC families** for their investment in the "NWC Schools" community. By referring friends and families, NWC families demonstrate a sincere form of appreciation of our schools. By providing tuition discount to those referring families, Northwest Christian Schools offers a tangible way of saying thank you. ***A tuition discount of \$300 per new student is available. Go to the nwcs.org/win-win-program for details on qualifications***
