

## NWCS 2015 Touchdowns & Tees Golf Tournament

The Northwest Christian Schools Golf Tournament is a fundraising event to support athletics. This year marks a new era for the tourney as the football program is in charge of the event and all proceeds will go to benefit the team and alleviate the high costs for families. Our goal is not to solely raise money however. We want to host a fun filled day for golfers of all abilities (and inabilities) and to build community that builds relationships and honors God. Please join us for a great day as we laugh, compete and enjoy God's creation on the links.

### Longest Drive

The player who has the longest drive will win a prize.

### Closest to The Pin

The player who has the closest to the tee on selected 3 par. holes wins a prize

### Team Prizes

Prizes will be awarded for best and worst dressed teams and other fun categories.

## TOUCHDOWNS AND TEES

The tournament will operate on a shotgun start and will use a scramble format. Each player will have a minimum of two drives and two other shots used in the course of the 18 holes. Mulligan's will be available for purchase on the day of the tournament as well as opportunities to compete for prizes in different categories such as longest drive, longest putt and closest to the pin. There will also be prizes for the top three foursomes.

This is a fun-filled event that is intended to build community and help support the mission of NWC Athletics while helping student athletes pursue their goals on and off the field. Please join us for a great day on the links!

**Tournament Information**

Built in 1996, Deer Park Golf Club, located in Deer Park, WA, has become one of the areas favorite golfing destinations. This links style course has huge bentgrass greens and generous bluegrass fairways which make it a great golf course for beginners, however, with water on seven of the 18 holes and the length of the course (6,700 yards from the back tees) it is still challenging enough for the most experienced golfers. Our signature hole is number 14, a 416 yard par 4 that as a creek running down the entire left side of the hole until it crosses the middle of the fairway about 140 yards from the green. Once you have managed to hit the very difficult tee shot into the fairway, you must then deal with a severely undulated green that has a lake guarding the right side of the green. This is one of the toughest, yet funnest holes to play in the area.

Northwest Christian's goal is to help meet the physical, emotional and spiritual needs of young people through the provision of a variety of athletic programs. Our mission is to nurture the heart, mind and will of each student in the things of God through Bible-centered academics, encouraging them toward a life of fruitful service in the home and church, on the job and in the community.
