

Northwest Christian's Summer STEM Academy

Date: July 9th - 12th

Time: 9:00am - 12:00pm

Location: Cedar Campus -
5975 N. Cedar St

Spokane, WA 99205

Cost: \$60*

*Please make checks payable to NWCS

Enduring Understanding: God has created an amazing world and has given us the ability to observe and think critically about it so that He might receive the glory He deserves, and we might be satisfied in Him alone.

Description: Students will use STEM challenges and activities to learn, explore and create. By engaging in both whole group activities as well as breakout sessions, students will be challenged to grow in their team work and problem-solving skills.

K - 2nd Graders: (Current Grades)

Join us for an exciting adventure, combining STEM with nature, literacy, and art, as we explore the world of birds and designing ways to help and even learn from our feathery friends!

*Students will plan, design, and build, leaving camp with fun memories, as well as their projects!

3rd - 6th Graders: (Current Grades)

Breakout Session Options

- 1) **Global Solutions** - Students will explore different problems around the globe and develop proto-type solutions using teamwork and problem-solving skills. Examples include, clean water systems, floating gardens, and wind energy.
- 2) **Rockets** - Students will study and learn concepts about flight and space as they build and design their very own rocket! Which rocket will launch the farthest?

(Please fill out section below and return to front office w/ payment. Registration Deadline June 8th - Late registration approved upon request)

Cancelled

I give permission for my child, _____, to participate in this 2018 NWC Summer STEM Academy. Parents and/or guardians are required to sign their child out at the end of each day.

As the parent or legal guardian, I authorize the adult in charge to tend to any injuries or illness, and/or to seek a qualified physician or medical facility to examine the above-named child. In the event of injury or illness, permission is also given to administer any emergency care he/she deems necessary to insure proper care of any injury or illness. Every effort will be made to contact the parent or guardian to explain the nature of the problem prior to any involved treatment.

I have adequate insurance carried on my family. I will assume all financial responsibility for medical care needed by my child while he/she is participating in this activity. I will not hold Northwest Christian Schools or the adults in charge of this activity responsible for injuries that might occur as part of the activities for these classes on campus.
