Jake,
We love you and are so proud of you... and more great stuff you can write about your son, daughter, or sibling to fill in this area.
Maybe add your favorite verse or godly wisdom, or a blessing that they will cherish. Or a funny memory or story...that isn't super long.

Love,

Senior Picture Requirements

Yearbook:

Seniors must be in dress code, including boys' hair and facial hair and girls' clothing must be modest—no bare shoulders, low-cut tops or spaghetti straps in order to be placed in the yearbook. When choosing your picture, please be aware that pictures may need to be cropped if the selected post is too far away or does not allow for the best printing option. A member of the yearbook staff may contact you if there are any concerns regarding your selected pose. All photos must be at least 600 dpi with a picture size at least 1 3/4 x 2 1/2.

Please email your senior photo directly to nwyearbook@nwcs.org.

The deadline for submission of Senior pictures to the yearbook is: Friday, October 18th.

Ribbon Cutting Ceremony Photos:

Submit **one baby** or early childhood, **one middle age**, and **one senior picture**. If a senior portrait isn't available then an appropriate current photo will work.

Pre-graduation Ceremony Slideshow/Video:

Send a **minimum** of **five photos** of your senior and friends, faculty, staff, during his/her years at NWC. We want to represent every senior in this video. Athletic, drama, field trip, spelling bee, retreat, service project, classroom photos, etc. are all great. Video clips must be marked to where the section starts and ends (use your counter). Please submit short, good quality videos. There is not a lot of allotted time for lengthy video clips. Class photos may be also be submitted.

Submit ribbon cutting and slideshow photos and video to: veenstrasteph@yahoo.com.

The deadline to submit photos for the slide show and ribbon cutting is: Monday, March 11, 2020.
