College Board Opportunity Scholarships

DESCRIPTION: The first-of-its-kind national scholarship program lays out six simple steps that all students can take to get into college. Students have the chance to earn scholarships when they:

1. Build their college list
2. Practice for the SAT
3. Improve their SAT score
4. Strengthen their college list
5. Fill out the FAFSA
6. Apply to college

This isn't your typical scholarship program. It doesn't require an essay or an application, and it doesn't have a minimum GPA or SAT score requirement. The College Board Opportunity Scholarships are different. The program is open to all students. Students can begin today by signing up on the College Board website and then the first step is making a starter list of six colleges they want to attend.

Apprenticeship Programs

Apprenticeship programs combine on-the-job (OTJ) training with classroom instruction allowing individuals to become skilled in a particular trade. Trade professionals provide paid OTJ work in various fields of study. Community and technical colleges provide the classroom component. Salary is based on apprenticeship pay; when all work hours and course work is completed, students earn journeyman status in the chosen trade.

New Tech Skill Center

<https://www.spokaneschools.org/newtech>

NEWTech is a regional career and technical education partnership serving juniors and seniors from our 11 consortium-member school districts: Central Valley, Cheney, Deer Park, East Valley, Freeman, Mead, Medical Lake, Nine Mile, Riverside, Spokane, and West Valley. NEWTech originally opened to provide access to comprehensive, industry-defined career and technical programs of study. We work to prepare students for careers, employment, apprenticeship opportunities and college. Currently students apply to attend and participate in one of the 16 different programs we offer. As a skill center, all of our programs provide students with leadership opportunities, industry-recognized certifications, and/or college credit.
