HOMESCHOOL

July 2025

Dear Inquiring Homeschool Families,

Welcome! Thank you for considering Northwest Christian's Homeschool Program. I am so glad you are here! I understand the parental responsibility in finding the best academic fit for your child and look forward to partnering with you on this journey.

Whether you are a seasoned homeschooling family, or just dipping your toes in this new world, we are happy to help you understand our program, how it pairs with the needs of your family, and what your next steps are. Our goal is to trust God with you for direction in educating your children. With a preschool, elementary enrichment program, and private homeschool extension secondary program, we have something for everyone!

You are the right parents for your children and God will give you the wisdom you need to make a great decision. As Paul says in Galatians 6:9, "Let us not become weary in doing good, for at the proper time you will reap a harvest if we do not give up." The staff at NWCS Homeschool are cheering you on!

April Young, our Program Registrar and Administrative Assistant and I (Sara Jones, Program Director) are available to answer any questions. We look forward to hearing from you!

With gratitude,

Sara Jones
