Preschool Withdrawal Procedure:

Notice Requirement:

- Families are required to provide **at least 14 calendar days' written notice** prior to withdrawing their child from the preschool.
- To officially withdraw a student, **both parents or legal guardians** must complete, sign, and submit an Intent to Withdraw Form to the Business Office at businessoffice@nwcs.org. A student will not be considered withdrawn until this process is fully completed.

Billing Policy:

- Tuition is billed in **half-month increments**, regardless of the date of withdrawal.
- If the withdrawal notice period overlaps with the start of a new half-month billing cycle, tuition for that cycle will still be charged.

Final Tuition Payment:

- Tuition for the final billing period will be adjusted based on the child's last day of attendance and the 14-day notice requirement.

Example Scenarios:

- *If a family provides notice on January 1, the withdrawal date would be January 15 (14 days later). Tuition would be billed for the first half of January.*
- *If notice is provided on January 10, the withdrawal date would be January 24. Tuition would be billed for the second half of January.*
