## Withdrawal Policy K-12th Grade:

We understand that families' plans can change. If you need to withdraw your student, please notify the Business Office in writing as soon as possible. Withdrawals are considered effective only after completing the Formal Withdrawal Process.

### Formal Withdrawal Process:

To officially withdraw a student, **both parents** or legal guardians must complete, sign, and submit an **Intent to Withdraw Form** to **BusinessOffice@nwcs.org**. A student is not considered withdrawn until this process is fully completed. Intent to Withdraw Forms are available in ParentsWeb/Family Portal under Resource Documents, at any campus front desk, or by requesting one from the Business Office at **BusinessOffice@nwcs.org**.

### If you complete and submit your Intent to Withdraw Form for the School Year:

- **By June 30:** No tuition will be charged for withdrawals submitted and approved by this date. All enrollment fees already paid are non-refundable.
- **From July 1 through the day before school starts:** Withdrawals submitted and approved during this period will incur a fee equal to 25% of the annual tuition to help mitigate the expenses incurred for covering staffing and classroom costs reserved for your student.
- **During the School Year:** Parents/guardians must provide 30 days' written notice before the end of the current quarter when withdrawing their child for the subsequent quarter. Failure to provide the required notice will result in tuition charges for the next quarter, equal to 25% of the annual tuition.

## Withdrawal Policy Homeschool PreK:
